

Trade Union (Facility Time Publication Requirements) Regulations 2017 - (Not subject to audit)

The Trade Union (Facility Time Publication Requirements) Regulations 2017 took effect from 1 April 2017. The regulations were laid following the enactment of the Trade Union Act 2016.

One of the elements of the Act is the requirement for employers in the public sector to publish information on facility time, which is the provision of paid or unpaid time off from an employee's normal role to undertake Trade Union duties and activities as a Trade Union representative.

To comply with these requirements, the Council must publish the data on the Council's website and on a website maintained by, or on behalf of the Government each year. The data must also be included in the annual Statement of Accounts.
