NOTES														
1. This report shows the Council's current contracts register. At present this doesn't include all contracts, but the Council is working to gather all the required information to represent the full corporate view.														
2. The LA Department Responsible has been defined as the Category Area responsible for this spend.														
3. Wakefield Council has in place an agreement with HMRC regarding VAT reporting procedures. Any transaction that is identified on the finance system as a gross payment, with no vat recorded, are reviewed by a team of Finance Officers. These transactions are adjusted manually at a later date, for vat previously not recorded, for the purpose of UK vat recoverability.
