WAKEC-CONTRACT-DSIN-93V8UD	Wakefield Supply of Ready Mixed Concrete	Highways	1.1. Wakefield Council (WMDC) is seeking to put in place a framework agreement for the provision of Ready Mixed Concrete, both delivered to site or collected by the employer from the batching plant. 1.2. All materials supplied shall conform to BS EN 206 and the detailed requirements of the relevant annex of BS 8500.1.3. Successful suppliers will work closely with the Local Authority throughout the contract period to provide an exceptional standard of service. 1.4. It is intended that the employers requirements for each order will be modelled using the prices submitted in the Price List. The order will then be offered to the contractor with the lowest modelled price. If this contractor is unavailable or unable to carry out the order for any reason then the order will be offered to the contractor with the second lowest modelled price and so on.1.5. Performance information collected during the currency of this contract may be used to modify the selection process by excluding any suppliers who show a continuing trend of poor performance.1.6. WAKEC-CONTRACT-DSIN-93VAUP	Framework Agreement for the Provision of Vending Machines via a Managed Service	Property & Asset Management	Framework Agreement with a single supplier for the supply, delivery, installation, provision, service and maintenance of vending machines through a fully managed service. This agreement will cover the provision of vended food and beverages but will exclude the provision of water coolers (bottled or plumbed into the mains). For some of the machines installed, there may be a requirement for cashless vending. This agreement will cover a wide range of Council facilities across the Wakefield District (for use by both employees and members of the public), including, but not limited to: Sports centres; Swimming pools; Stadia; Civic buildings; Council depots; Libraries; etc. The Council anticipates minimal expenditure through this Agreement, as it is expected that machines will be provided free on loan, and the successful organisation recovers their costs through the sales. For some of the sites it will be expected that the Council will also be able to generate an income through these sales. The concluded Framework Agreement will also be available for use by the other 21 local authorities in the Yorkshire and Humber region.
